

# RUN OR WALK WITH THE TOLEDO ROADRUNNERS

## AMERICAN CANCER SOCIETY RELAY FOR LIFE MAUMEE

WHEN: 6:00 PM FRIDAY May 30, 2008 to  
12:00 NOON SATURDAY May 31, 2008.

WHERE: Maumee High School Stadium, Maumee High School, Maumee, OH 43537.  
(Parking is next to the stadium; take Key Street to Village Trail Road.)

WHAT: This is an 18 hour run or walk relay in which the goal is to keep one or more team participants on the track for the duration of the event.

WHO: The event is a fund raiser for the local chapter of the American Cancer Society. A team(s) will be fielded under the the "Toledo Road Runners" name. Everyone is invited to participate in the relay and/or make a donation in the name of the TRRC team to the American Cancer Society.

DETAILS: There will be team support present for the entire event, including fluids and light snacks. A count of all laps completed by team members will be tabulated. This will be an excellent venue for those training for a marathon or a relay team since there will be support present, a measured distance, and no pressure to meet a certain time or distance. The goal is to have an enjoyable athletic experience among friends while raising money for a good cause. Walkers and families are welcome.

COST: We are asking all participants to offer or solicit donations for this good cause. Checks should be made out to the "American Cancer Society" with "TRRC Team" on the memo line. Mail entries to Relay for Life, ATTN: Jerome Tomc, PO Box 140904, Toledo, OH 43614. Please return entries and donations by May 15th. We suggest a minimum individual donation of \$20 for participating and will give you an American Cancer Society T-shirt for raising funds of \$100 or more (e.g., solicit pledges for laps completed). Memorial luminaries will be placed at track side during the event for a donation of \$10. Any donations are greatly appreciated.
