Course Highlights

The marathon and half marathon courses will begin in the center of the University of Toledo campus. Heading north into the quiet neighborhoods of Old Orchard and Ottawa Hills, the course leads you to the area's finest Metroparks system utilizing the University Parks bike Trail and a return trip through the UT campus concludes with a grand finish on the 50 yard line of the Glass Bowl Stadium. Boston bound runners will find this course has very little elevation, smooth paved roads, and is expected to provide very fast times and a memorable experience.
